Hello Everyone,

During the first week of February the Napa Valley experienced very high winds, the Club lost about 20 trees. The Club was without power and was closed for a short time until we could get the downed trees off the power lines and out of the driveway. Jim Riley called an "Emergency Work Party " for Saturday February 10th and John Mills our new Secretary sent out an email blast to all of the members with email addresses for their help. I think we had 20 -25 members show up on Saturday the 10th with chainsaws, wood splitters and trucks and trailers! I am so proud and thankful to everyone that came to work that day, we got all of the trees cut off the power lines, and cleared from the parking lot and trap range area. We repaired our power line and restored power to the Club by the end of the day! I was so impressed with the amount of work that was accomplished. THANK YOU ALL!

On February 21st we had our Members Meeting at the Club, we inducted 22 new members. Bob Quinn and his New Member Committee did a great job of vetting the new members, all 22 were inducted without question . Thank you to all of the members that showed up and to the sponsors that were there for their candidates. A job well done. We also had a gun raffle for one of the pistols that was donated by Sweeney's, \$100.00 per ticket, we sold 12 tickets, one of our new members won it. We will have another gun raffle at the next Members meeting. After the February meeting Dan and Jack conducted the " Range Orientation Class " with the new members.

The Club Gate Code was changed on March 1st to 1962 please do not share this unless you are sure that the person asking is a current member, I posted the new list at the Club by the check in log books.

Thank you for all of your support.

Ron Pippert
