## **LETTER FROM THE PRESIDENT**

Hello Everyone,

We had another Members meeting June 12<sup>th</sup> I called the meeting to order at 6:00 pm, and led the membership in the pledge of allegiance. Brian took roll call of the board and read the financials and asked the board if they accepted financials and the minutes from the last board meeting. A motion was made and seconded accepted as read. I started the membership part of the meeting as an "Open Forum Meeting" I invited members to take the microphone and ask the Board any questions that they may have. We had several members get up and ask very good questions; a couple of the members emailed their questions to me and we discussed them at the following board meeting that we had on July 10th. I emailed the members back answers that the board had made on their questions. Just a reminder if any members have questions or suggestions at any time, feel free to call text or email me and I will get your information to the Board. The next Members meeting will be August 14th at the club. I am hoping that we are just about at the end of the Permitting Process with the County on the indoor range project /permit.

Save the date of October 12th. This will be the club's 3<sup>rd</sup> annual Fundraiser / BBQ. Julie Benn and Paul Everett are the Co-Chairs for the event, if you have items that you would like to donate, or you would like to volunteer to work at the event reach out to Julie or Paul

Our Treasure Brian Monske is working with Vice President Pete Munoa on getting the club website set up for you to be able to see your membership account status and be able to make payments directly on the website on the membership side. We are hoping to have this in place and running in time for this years membership renewals.

Thank you all for your support.

Ron Pippert

President

## **Bullet Strikes**

Dear NR&PC Members,

We continue to have issues with bullet strikes on the eyebrow at the 25-yard range. We ask that you take the utmost care while shooting pistols. The future of the club and safety of members and neighbors depends on you.
