LETTER FROM THE PRESIDENT

Letter from the President

Hello Fellow Members,

I would like to thank the members that were able to make it to the last member's meeting in August, it was a very good meeting. Our next member's meeting is on October 9th at the club starting at 6:00 pm. We had our board meeting in September and discussed quite a few items, a couple of the items include by-law changes. These proposed changes will be posted at the Range and sent out in this newsletter. Please read the proposals and come to the members meeting on the 9th to discuss and vote on them.

We will have our annual Fundraiser / BBQ October 12th at the club on the outdoor range, Mike Desimoni and his son Danny will be doing the cooking again this year with Tri Tip and all of the fixings. AAA Sporting Goods has donated 25 guns to the club to raffle and there are more guns donated by other club members as well and many other raffle items too. There will also be a swap meet on the West side of the property by the containers. This is free to our members that want to sell their wares, guns and ammo can be on display only, no sale or transfer of guns or ammo will be allowed on club property as per California laws /regulations.

We have a new \$5K member Curtis Fosnaugh that owns an arborist company, he and his company will be removing the brush that was left from the winds /damage that was done back in February. His crew may also move the rounds of fallen/cut wood down to the parking lot, feel free to take all you want.

I know everyone wants to know the status of the indoor range, well I believe we are down to the last 3 items that the County has "comments" on, Action Target and our Architect are working on those now. I don't want to jinx us but it appears that we may finally have a permit in October from the County to move forward!

Thank you all for your support, I hope to see you at the Fundraiser/BBQ
